

The Director of Central Intelligence

Washington, D. C. 20505

15 July 1983

Dear Mike,

One subject on which intelligence officials could appropriately speak authoritatively in educational forums is the need to improve language training in the United States. Another subject is overcoming the decline in Soviet studies over the last decade or so.

Have your office contact in my office who might be of assistance on this.

Yours,

William J. Casey

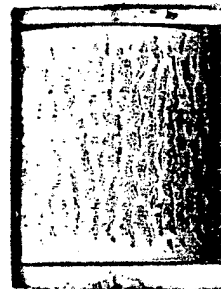

The Honorable Michael K. Deaver
Deputy Chief of Staff
The White House
Washington, D. C. 20500
